Re: Ethics Commission Docket No. 94-273

Dear Dr. Andonie:

The Commission on Ethics for Public Employees, during the course of its October 21, 1994 meeting, considered your September 23, 1994 correspondence in which you request an opinion as to the propriety of you continuing to serve as a member of the LSU Board of Supervisors while contemporaneously serving as a member of the Board of Directors of the Tiger Athletic Foundation.

After considerable deliberation, and on the basis of a staff recommendation, the Commission concluded that the events in question are controlled by an exception contained at Section 1123(1) of the Code that generally allows public servants to participate in the affairs of "charitable, religious, non-profit educational, public service" organizations even if those services are otherwise prohibited by operational sections of the Code.

Accordingly, it is the opinion and conclusion of the Commission that your continued service on the LSU Board of Supervisors while contemporaneously serving as a member of the Board of Directors of the Tiger Athletic Foundation is not prohibited by the provisions of the Code of Governmental Ethics.

Yours truly,

COMMISSION ON ETHICS FOR PUBLIC EMPLOYEES

R. Gray Sexton
